At times the D2L Classlist roster does not reflect the roster in MyLoneStar. To correct the D2L Classlist:

1. Sign in to D2L.
2. Click the VTAC Support link in the navbar.
3. In the Self-Service column under User Access, click Reconcile Your Rosters.
4. In the window that opens, select a term, then click the Select button.
You will see any conflicts listed in under "Message(s)." The number at the end of the bar is the number of roster discrepancies.

5. For each student that needs to be enrolled or unenrolled, click the **Enroll into D2L** or **Un-Enroll from D2L** button next to the student’s name.
